Orders received by noon CST Sundays-Tuesdays will be shipped on the day they are received (pending product availability). Orders received after noon on Tuesdays, will be shipped the following week.

Orders received by noon CST Wednesday, and shipping to a valid Minnesota residential address, will be shipped Thursday (pending product availability). Orders received after noon on Thursdays, will be shipped the following week.

*\*\*Please note: We currently use UPS ground and 2-day services to ship our packages. Transit time for perishables should not exceed 3 days. Once and awhile, a weather event or operational issue will prevent a package from being delivered within that 3-day window. Sometimes the food will still be cold when delivered beyond 3-days. However, if it arrives warm, do not eat. In addition, if you are planning to use the food for a special event, please order the week prior to your event.\*\**
